Response to Disturbances

Enter beginning and end time for each disturbance. Also note if the disturbance **continued** after survey ended with Y/N. Add brief description of disturbance, if needed. Use additional rows when notes area is full. **Only document if birds react.**

Example Disturbance Entry (In Eagle block): "8:43, 9:00, Y"; Example Event Note: "Eagle flew along beach and near shore. PGs flew out beyond the kelp. PIGU had not returned by end of survey."

Eagle	Beach Walker	Walker w/Dog	Motorized Boat	Non-motorized Boat	Unknown	Other Cause
